For plush comfort and pressure relief, Skil-Care's Armrest Pads are a must for all wheelchairs. Made from HealthGrade synthetic sheepskin, these pads are extra-long so that sensitive arms and elbows never come into contact with hard armrests or metal support bars. Sized to fit all wheelchairs, these pads secure easily with heavy-duty snaps.

LAUNDERING INSTRUCTIONS

These pads may be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommended.
